

Frann Shermet

Frann and her husband Dick have lived in Cypress for more than 40 years. Originally from Philadelphia, they met on the boardwalk in Atlantic City and have been married for 50 years. The City of Cypress and surrounding communities have benefitted from their many years of commitment to volunteer service including:

Soroptomists, Cancer Support Foundation, Literary Guild of OC, League of Women Voters, Long Beach Symphony Orchestra, Cypress Festival, Cypress High School Athletic and Academic Boosters, Little League, Soccer, and now the Boys & Girls Club of Cypress

In addition to her many years of volunteer service, Frann's career included management roles as a Public Service Supervisor for the Franchise Tax Board, Corporate Specialist for the Employment Development Department and National Executive Coordinator for the Academic Decathlon.

Dick is retired after many years of running his own printing company. He currently serves as a Marshall at the Navy Golf Course, and volunteers at the Cypress Police Department. We're confident that Dick will be attending the fundraising events that Frann helps plan to support the mission of the Boys & Girls Club.

Frann and Dick have two grown children and two grandchildren whom they enjoy immensely.
